David,

Thanks for your time this afternoon. After we hung up, I investigated the question on subpoenas further. I found this email from Wednesday in my Inbox. It looks like the email address on it lines up with yours. The attachment here is simply carried over from Wednesday's email, and I don't think that any part of the subpoena is missing. I can't confirm Mr. Lacher's address.

Please check your Inbox and any spam folders or filters. If the message isn't in there somewhere, then we should reconvene on Tuesday to figure out where the issue lies.

Thank you again,  
Stuart Gaul
